All Glory to God for the doors that He has opened and partnerships He enabled to bring these events to pass...

Go Fest Asia: ARISE! Children's Track

Go Fest Asia Children's Track was organised by ARISE! and ran from 9-13 August 2010. The two tracks saw a total of 70 participants from Singapore and overseas. The participants were taught the 'HOPE for KIDS' programme from 9-12 August and Treasure Hunt on the last day.

They learnt the biblical foundations of the gospel and how to share the good news with others through 'HOPE for KIDS'.

We were blessed to hear how immediately after attending the training, Christen, 9yrs old, applied what she learnt, in school the next day and share with her classmate. He friend received Christ and Christen led her in the sinner's prayer. Hallelujah!

Another boy Nathan, met a Buddhist man at another of our events and share with him the good news also.

Several of the participants also attended the training on 'Treasure Hunt' which incorporated a time to listen to God and to be led by the Holy Spirit on who to bless or prayer.

Every one of them found their 'treasure' out in the streets and found the courage to share about God's love or pray for the person they felt was their treasure.

It brought encouragement to the recipients as well as the children themselves who returned excitedly to report about their experience.

ARISE! Praise & Worship Event

From the lips of children and infants you have ordained praise because of your enemies, to silence the foe and the avenger. PS 8:2

The family praise and worship event took place on Sunday, 22 August 2010. We saw about 3,000 people gather at the Singapore Expo, over two sessions.

This was an inter-generational meeting right through from those leading on the platform and those in attendance.

We could not help but feel God's pleasure as the children lifted their praises and worship.

We thank God for the 276 recorded salvations and rededications which included children as young as three years old to adults who opened their hearts to Jesus – Hallelujah!

The time of listening to the Lord also saw many journaling about God's love for them and assurance of salvation. There were also many other uplifting words, the call to mission for some and even words of correction on their behaviour,

"...He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners..."
Isa61:1

The children who were leading on the platform were also released to pray for the people and we thank God for the many reports of people who were blessed and ministered to by the children.

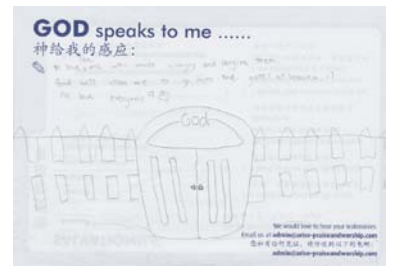

Some adults just could not help crying as they were prayed for by these young ministers of God.
